

## **MMA-CQI: SUPPORT for ME Training and Technical Assistance to Increase Access to Medication Assisted Treatment (MAT) in the Primary Care Setting**

**Webinars: November 3 and December 1, 2021 at 12pm**

**Wednesday, November 3, 2021 12:00 – 1:00 pm** [REGISTER HERE](#)

### **Treatment for Alcohol Use Disorder and Alcohol Use Disorder with Opioid Use Disorder - Complexities and Opportunities**

This webinar will provide information on treatment for Alcohol Use Disorder as well as prescribing tips for Alcohol Use Disorder with Opioid Use Disorder and discussing the co-morbid use and or/treatment with patients. After attending this webinar, participants will:

- Understand prescribing and treatment for Alcohol Use Disorder;
- Understand contraindications/complexities when prescribing for combined Alcohol and Opioid Use Disorders;
- Describe how motivational interviewing can be used with patients when discussing unexpected information and the recovery journey

#### **Speakers:**

Eric Haram, LADC

Elisabeth Fowlie Mock, MD, MPH

Stephanie Nichols, PharmD

**Wednesday, December 1, 2021 12:00 – 1:00 pm** [REGISTER HERE](#)

### **Substance Use Disorder Related Drug Screens and Lab Results - The Differences in Tests, Costs and Discussing Results**

This webinar will provide information on the product options around testing as well how to talk about unexpected lab results with your patient while still promoting their successes on their recovery journey. After attending this webinar, participants will:

- Review the types of drug screen tests and methods;
- Evaluate which tests work best in certain circumstances;
- Understand how test results should be discussed with patients without discounting the recovery journey.

#### **Speakers:**

Eric Haram, LADC

Elisabeth Fowlie Mock, MD, MPH
